

Dear Christ-life Brothers and Sisters,

I recently received the materials you graciously sent to me. May God continue to bless your ministry. When a brother on this yard shared the Christ-life message with me, the message clearly broke through my clouded vision, and has spoken more clearly to me than any message of the Gospel ever spoke to me before.

I want to thank you again for sharing such wonderfully Good News! In this era of phony ministries doing little but hawking merchandise, your message of living through Jesus Christ is refreshing and inspirational.

I pray God will continue to support you in preaching the Gospel of the Christ-life.

Your Brother in Christ,

A Florence, Arizona Prison Inmate
