Mike & Debbie:

Grace be to you, and peace, from God our Father, and from the Lord Jesus Christ. Blessed be the God and Father of our Lord Jesus Christ who has blessed us with all spiritual blessings in heavenly places in Christ according as He has chosen us in Him before the foundation of the world, that we should be holy and without blame before Him in love.

Before my introduction to the Christ Life, I was raised in a very legalistic, religious Christian environment. My entire family loves the Lord without question, but the message has been commingled so much that it is a perversion. There can be no spiritual growth in that environment. When Richard Moore introduced me to the Christ Life about five months ago, I knew this was something, not only different, but real. I searched the Scriptures diligently. For the first time in my life, I had found what I was looking for, 'the well of Living Water.' I now have a peace and joy that is unspeakable. Praise Him! I never knew before that there were two different messages: law and grace. Thankfully, now rightly dividing the Word (2 Tim. 2:15) is something the Spirit has shown me how to do. To God be the glory!

A quick testimony: After my sentencing in Tucson, I was waiting to be sent to my destination and I prayed to God to send me somewhere that would be a beneficial place for me to grow spiritually and where there would be good Christian fellowship also. I thank my Father for putting me here in Florence, Arizona. He had a purpose. I am the happiest I've ever been in my entire life because I know my identity now. Christ is my life. My Father did not just answer my prayer, but went above and beyond that. He provided a vessel also (Richard Moore).

Thank you so very much for the things you do. You are very important to this ministry, in God's plan. We all love you, greet you in the name of the Lord. Grace and peace be to you.

Believer in Christ,  
Davin Hembree

P.S. Thank you for sending me "Revelation Knowledge and Fourth Dimensional Living," "Proper Distinction Between Religion and the Gospel" and "Life in the Son" magazines #318 and #319, back in December. If I'm not on the mailing list for the magazine please put me on it. I have #317-320 thanks to Bro. Richard. If you could send a previous issue or two before that, I'd greatly appreciate it. Also, could you send, "The Radical Change in God's Plan At the Day of Pentecost," and maybe, "This Then is the Message Which We Have Heard of Him." I'd like to build up my book collection and read all of Warren's books. I've read several of them already, but could definitely read them again.

Thank you again very much.
