

James Brooks letter to Mike and Debbie Robinson, 12- 06-2010

Dear Mike and Debbie,

Thank you so much for the books and booklets on the Christ-life message! It's funny how the Lord works – half of the books you've sent I've already read. But, I look forward to reading them over and over again, but more important than that is sharing them with other believers (and my brothers in the Christ-Life Fellowship).

In my first letter I shared with Warren and Robbie some things about myself and what the Lord is doing in my life. I understand from Richard that anything that has to do with the prison ministry gets forwarded to you and Debbie. I hope you got a chance to read my prison letter. I was introduced to this message, by the Holy Spirit, through Richard Moore about two months ago. I can't get enough of it! And, I can't wait to share it with other inmates, especially my lost brothers who are stuck in the kingdom message. Because I know this is "The Truth!" I knew it from the first talk I had with Richard. As Warren says, we have to be hungry for it. The Lord has me soaking this up like a sponge.

Let me tell you some more about myself. I'm 53 years old and this is my fourth time in prison. I'm doing 13 years for burglary and drug possession. I have approximately ten more years to do. I'm telling you this, because the Lord had to get me here to finally listen to Him. I've been born-again since 1984. I've been in and out of the Baptist, Pentecostal, and non-denominational teachings through the years, and each time searching a closer walk with Christ, but always going back to the "old man." Coming here to "East Unit" and hearing about the exchange of natures and the non-corruptible seed and the truth of Christ living in me, I knew I had found what I had searched for all my life! Romans 6-8 has come to life. I have a new Bible. And, the Lord Jesus lives in me as me. Only my father in heaven could do something so wonderful. I thank Him and praise Him with all my heart!!! This is the beginning of a new life with the Lord (in the Lord). The Christ-life is an answer to my prayers.

We have a fellowship here at "East Unit" that's growing. There are 7 or 8 brothers who are learning and living this message. And a lot of it is the Holy Spirit using Richard Moore to share it. I've joked to Richard about this – that we may have to call this "The Christ-Life Fellowship-East Unit." I'm sure Warren would get a kick out of this. All kidding aside, the Lord is doing a mighty work here at East Unit. Richard shares all the Christ-Life material with all of us (and many more) on the yard. I've read many of the books and booklets by Warren, listened to many CDs, read many of the line upon line studies, and read many of the Life in the Son magazines. All this is only in two months time. What I'm trying to say is – we are all truly blessed by all the Christ-life material! I'm not the only one. None of us can get enough of this.

Can you please send me some copies of some booklets by Warren? I'm thinking of material useful in sharing with brothers-in-Christ who don't know the mystery. "The Birthing," "Christ Liveth In Me" and any other tools that you might think would be useful. Also, I'm asking for myself if you could send me a copy of "The Unashamed Christian" or "Free at Last"?

Thank you, Mike and Debbie, for all the hard work you do. It's a true blessing to all of us! And it's producing many fruits. God bless you and keep you! And have a merry, merry Christ-life Christmas! I know I will. I think this could be the best Christmas I've ever had. It's all because of the mystery of Christ living in me, as me. (Galatians 2:20).

Yours Truly in Christ,
Jim Brooks
