Dear Warren and Robbie,

Greetings in Christ! I just sent you guys a letter and I did not think to ask if you could send me some copies of Christ Liveth In Me and The Birthing. Also, I don't know if there are any available but if you could send me the Life in the Son magazines with Norman Grubbs articles on Romans 6, 7, and 8. I would greatly appreciate it. I want to thank you guys for everything you do for me, and everything you do to spread the glorious gospel of the revelation.

Grace, peace, and love in Christ,
Joshua Johnson
