

Christ-life Teaching CD's

Thank you. We had the Fundamental CD's and 3 books of Warren Litzman when we left South Africa and listened to them about a 1000 times. Everytime God revealed something awesome about the life in His Son. Can't wait for the next Series. Sure we will be blessed out of our socks as always. Its good to be back and we are already planning on seeing you guys in October this year. Thank you for all your trouble.
